I. Description of Operations Financed

The operation and maintenance (O&M) appropriation provides funds for operational support of the Air National Guard (ANG) along with ANG/Air Force blended wings and ANG/Air Force associate units. O&M provides funding to support ANG staffing needed to train, equip, and support an ANG force at a level of combat readiness that enables it to immediately assimilate into the active force and be capable of conducting independent operations in accordance with unit wartime taskings.

I. Description of Operations Financed:

This activity group includes funds for mission support of overseas contingency operations to include military technicians who carry on the day-to-day training, maintenance, and administration of the Air National Guard (ANG). Funding includes transportation and per diem costs; equipment and supplies for the Yellow Ribbon Reintegration and Strong Bonds programs.

<u>ANG Yellow Ribbon Reintegration Program</u>: Yellow Ribbon is congressionally mandated in accordance with Section 582 of Public Law 110-181, 28 Jan 08. Yellow Ribbon is a national combat veteran reintegration program to provide National Guard and Reserve members and their families with sufficient information, services, referral and proactive outreach opportunities through the entire deployment cycle. The pre-deployment phase focuses on educating members, families and affected communities on combat mobilization, and consists of reintegration activities at the 30-60-90 day interval after unit demobilization. The focus on reconnecting members and their families with the service providers (I.e.: TRICARE, JAG, Department of Veteran Affairs) to ensure a clear understanding of the entitled benefits. In addition, combat stress and transition and how members and their families can address these issues is also integral to this post-deployment phase.

Impact if not funded: ANG will not be able to provide sustained, deployment cycle support to service members and their families as well as critical ANG programs to support OCO reconstitution efforts in accordance with public law.

<u>Strong Bonds Program</u>: Strong Bonds is a preventative, skills-based program in the ANG designed to address reintegration and resiliency. Strong Bonds is mandated by both Air Force Instruction (AFI) 10-403 and Yellow Ribbon program direction for relationship enhancement training. Strong Bonds is Chaplain-led and event-driven. Participants are couples, families, and singles.

Impact if not funded: ANG will not be able to provide sustained, deployment cycle support to service members and their families in accordance with public law. ANG will also not be in compliance with AFI 10-403, *Deployment Planning and Execution*, which requires provision of "reintegration and reunion ministry". This is ANG's sole source of several key program elements in support of Yellow Ribbon requirements as outlined in the Department's Directive Type Memorandum 08-029 YRRP Implementation Guidance, Enclosures 3 and 7 (Marriage Enrichment, Marriage Workshops, Single Service Member Workshops, Relationship Enhancement and Communication Programs). ANG will be unable to comply with Air Force Policy Directive 52-12, *Chaplain Service*, requirements for Spiritual Care. This is ANG's sole program available which addresses relationship needs of couples, families and singles which mitigates suicide risk.
