

BIOGRAPHY

UNITED STATES AIR FORCE

LORI A. TUCKER

Lori A. Tucker is the Director, Workforce Management and Executive Services, Office of the Assistant Secretary of the Air Force for Financial Management and Comptroller. She serves as the principal advisor to the Assistant Secretary on all matters pertaining to the effective and efficient management and development of Total Force financial managers. She delivers dynamic coordination, communication, and integration of functional strategic initiatives and key workforce management and development initiatives to ensuring the long-term viability of the FM workforce of over 13,000 officers, civilians and enlisted personnel.

Ms. Tucker is an Illinois native, served active duty in 1982 as a logistician at Altus Air Force Base (AFB) and transferred to the Air Force Reserves in 1992. She entered into the Federal Civil Service in 1993. Her diverse functional expertise both in logistics and financial management has been a benefit where she is recognized for her unique expertise with financing complex logistic systems and operations. Her breadth of financial functional areas includes cost management, managing various appropriations, working capital, budget/POM, and rate development at MAJCOM, COCOM, and Base level.

Prior to her current position, Ms. Tucker served as the Chief of the Cost Analysis and Program Assessment Division for United States Transportation Command (USTRANSCOM) where she was responsible for directing complex financial cost activities, program assessment and Planning, Programming, Budgeting Execution (PPBE) Integration.
